Consumption of wagons

3767. SHRI JIBON ROY: Will the Minister of RAILWAYS be pleased to state:

(a) the per year consumption of wagons by Railways;

(b) whether it is a fact that Government have called global tenders to meet the target;

(c) whether it is also a fact that indigenous industry is able to fulfil the targets;

(d) if so, the reasons to call global tenders; and

(e) the procurement orders given to those industries *vis-a-vis* their installed capacity?

THE MINISTER OF RAILWAYS (SHRI C. K. JAFFER SHARIEF): (a) Reference is apparently for annual acquisition of wagons which is a need-based activity and is dependent upin transport needs. The requirement varies from year to year and is 12,000 wagons in terms of four wheelers for 1995-96 as provided in the Budget documents.

(b) No global tender has been floated by the Railways for wagons. Container Corporation of India, a Public Sector undertaking under the Railways, have floated a global tender for procurement of container flats under a World Bank aided project.

(c) and (d) The indigenous industry supplies wagons norfally procured by the Railway Ministry. However, the container flats referred to in reply to part (b) are of special type for which global tender was floated as per the terms of foreign loan for the purpose. Indigenous industry has also participated in the tender.

(e) The Global tender is not yet finalised.
